Agenda
• Dr. Hearney
  o Welcomed the members and reminded the group that in an effort to save time, we will not be reviewing previous meetings. Instead, documents handed out at meetings will be e-mailed with the minutes.
• Committee reviewed the Demographic Study that was completed in June 2011
• Committee was given information and discussed the following requested information:
  o Physical Plan Requirements by grade level
  o Student/Teacher ratios
  o Graduation numbers from 1995/96 – 2024/25
  o Tax Cap Data for Long Island
  o Special Education figures/breakdowns
• The following information was requested for the next meeting:
  o Staffing numbers broken down by building, if possible, with enrollment numbers
  o Graduation numbers
  o Number of BBP children that attend private school
  o Information on how similar size districts are handling declining enrollment (1800-2600 student size)
• The committee was reminded that the goal is to come up with options that will allow the district to maintain the current services while being fiscally responsible in regards to our declining enrollment

Agenda for Next Meeting
At the next meeting, we will review the additional requested information with a goal of discussing options of how to move forward at the June committee meeting.
