Equipment Needed: Shorts, t-shirt, wrestling shoes. (Please avoid having your son wear his wrestling shoes outside on the way to practice. Please have your son change into his wrestling shoes in the lobby outside the wrestling room). While not mandatory, it is recommended participants use headgear. This is not provided by the program and can be purchased at local sporting goods stores.

Location: Wrestling will be held in the High School wrestling room. Inasmuch as all available space will be used for the wrestlers, we will require the parents to remain outside in the lobby.

Note: The coaches reserve the right to place each wrestler with the most appropriate group. Grade and/or age are not always the best indication of where a young wrestler ought to be. Parents who have any questions concerning this should feel free to speak with one of the coaches. Please note that our youth program is purely designed to teach the fundamentals of wrestling. **Attending youth tournaments is not part of our program, however, if a coach wants to organize having his group attend a tournament, it is purely up to his discretion as he is volunteering his time.**

Snow Days, Holidays, School Closures: There will be no practice anytime the school is closed, whether it be for a holiday, snow day or early closure due to inclement weather or other reason.
