

STUDENTS EARN ADVANCE PLACEMENT HONORS

The district is proud to announce that 69 students have been designated as Advanced Placement Scholars.

Bayport-Blue Point High School's AP Program offers a variety of courses that engage students in intense discussions, problem-solving concepts and collaborative activities. In addition, AP college-level courses and exams give students the opportunity to earn college credit and priority placement so that they stand out in the admissions process.

The Advanced Placement Scholar Awards recognize high school students who have demonstrated college-level achievement through AP courses and exams. In addition to the student receiving an award certificate, this achievement is acknowledged on all AP score reports that are sent to colleges the following fall.

National AP Scholars

The designation of National AP Scholar is granted to students who receive an average score of at least 4 on all AP Exams taken, and scores of 4 or higher on eight or more of these exams. Bayport-Blue Point's National AP Scholars are:
