Susan Callahan - x223, scallahan@bbpschools.org Daniel Harrington - x224, dharring@bbpschools.org

Community Profile

Bayport-Blue Point is a high school family of approximately 735 students and 100 staff members nestled in a small South Shore community on Long Island. The profound history which is so much the fabric of our town is reflected in the varied faces of our large high school building - the delicate arches and tiled halls of the wing built in the 1930's, the straight lines and cold practicality of the 1950's hallways and the functional openness of the new auditorium, classrooms, cafeteria and gymnasium - all coming together to form a pleasing and inviting whole. Tree lined streets some fifty miles from a major metropolis protect traditions, which are over a century old. Ours is a town that is protected in many ways, from which people rarely move, or if they do, return with children in tow, ready to continue that family's tradition in the Bayport – Blue Point school district. As a result, we have become a school in which many of our staff members were, in fact, students here themselves and still live in the community, investing their time and talents to make our high school come alive.
