Dear Residents:

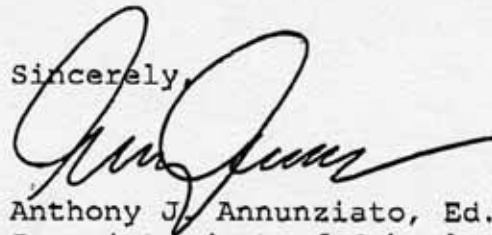

In an effort to effectively send a message to Albany regarding upcoming debate on the state budget, a grassroots effort, **The One Island - One Voice Letter Writing Campaign**, is underway in communities across Long Island to gather 10,000 - 15,000 **handwritten** letters from constituents. These letters will speak to the issue of distributing aid to education in a more equitable and appropriate manner that is consistent with the true cost of education on Long Island.

I am asking that Bayport-Blue Point residents join in this effort. I have included a sample letter that you could use as an exemplar and/or embellish the letter with other elements.

It is essential that these letters be collected **but not mailed**. Bayport-Blue Point residents can **drop their letters off** at the Reception Desk at the Administrative Center, 189 Academy Street, Bayport, New York 11705.

Thank you for your cooperation in this most important endeavor.

Sincerely,

Anthony J. Annunziato, Ed.D.  
Superintendent of Schools
