Dear Parents:

As per the No Child Left Behind Parents' Right-To-Know requirements, you have the right to know the qualifications of your child's classroom teacher(s) and paraprofessional staff. You are entitled to know:

1. Whether the teacher has met state certification criteria for the grade levels and subject areas in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional status through which State certification criteria have been waived;
3. The baccalaureate degree major of the teacher and any other graduate certification degree held by the teacher, and the field of discipline of the certification or degree; and
4. Whether your child is provided services by paraprofessionals and, if so, their qualifications.

If you wish to obtain this information, please contact the Assistant Superintendent for Personnel and Athletics, Timothy M. Mullins, in writing to request this information.

Sincerely,

Anthony J. Annunziato, Ed.D.
Superintendent of Schools
