Dear Parents/Guardians:

As we continue to establish enhancements to the districts Parent Portal, our next phase will be to provide greater communication to you as a family.

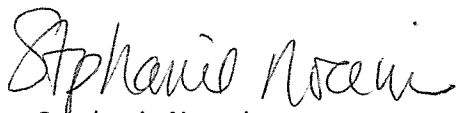

Beginning with the 3rd quarter of this year, we will begin to pilot the Gradebook portion of the portal which will be available to parents and guardians of children in the high school and middle school. This will allow viewing of your son/daughter's test and assignment grades as they relate to your student's classes.

This information can be accessed via the districts website <http://www.bbpschools.org>, then clicking the Parent Portal link on the bottom left of the page. Once logged in, there will be an additional tab available labeled Gradebook. Within this area, will be the assignments, as well as a link to view your child's classes.

As always, you may contact Mrs. Fishman in Central Registration at 631-472-7860 ext 8094 if you have any questions on the portal itself. All other academic questions should be directed to your child's teacher or guidance counselor.

Thank you for your cooperation and support.

Sincerely,

Stephanie Nocerino
Director of Technology
