7:00pm in the HS Auditorium**

**BBP Parent/Guardian Workshop:  
How to assist a child navigate a digital world**

- How do we support our student's with new technology/apps?
- What are some of the pros and cons of a digital world?
- How can we engage our child(ren) in discussions that help them to realize healthy digital timeframes, and reality versus social media posts?

This workshop, led by David Hymowitz, Director of #SameHere Schools, will examine what happens as our children grow and face challenges and new life situations in a digital world. How they respond to online circumstances plays a part in their social skills, their coping skills and their sense of self-confidence.

**How can we support them best?**
